

## Visitation Guidelines for Hamilton Medical Center as of 6/7/21

### **Inpatient Facility:**

- Visitation Hours: 7am-7:30pm
- 2 visitors at a time permitted
- 1 overnight guest permitted

### **Mother/Baby Unit, Labor & Delivery:**

- 1 designated support person (no visitors under 18)
- 1 visitor: 9am-9pm

**NICU:** Parents and grandparents may visit two at a time.

**Surgery/Procedures:** 1 visitor permitted to wait in the designated waiting area

### **Restrictions for COVID or suspected COVID-positive patients in the above areas:**

- COVID-positive patients may have one designated visitor during the course of their admission, with signed waiver, until isolation is discontinued.
- Visitors who are sick will not be permitted to enter the hospital, even if they are the designated visitor for a COVID patient. **This is without exception.**

### **Emergency Department**

- 2 designated visitors permitted for duration of visit.
- Patients who are COVID positive and those suspected of being COVID-positive may have one visitor while a patient in the Emergency Department.

### **Expectations for All Visitors**

- Except in special, approved situations, no one under the age of 12 may visit patients. Children under 18 must be under the direct supervision of an adult guest at all times.
- All visitors will check in on entrance to the hospital and will undergo a temperature check.
- Masks or face coverings must be worn appropriately at all times, covering the nose and mouth.

\*Patients with disabilities, as defined by ADA, are permitted a support person. Please ask your care team for more details.
